[1] The *SRO* was continued in force by an *Order of Preliminary Injunction, Appointment Of A Receiver And For Other Equitable Relief Against Defendants* entered by the Court on December 2, 2022 [D.I. 57]. I.

DISTRIBUTING HOLDINGS TO DEPOSITORS

Pursuant to the *Claims and Distribution Order*, the Receiver and his team completed the distribution of holdings to First State Depository ("FSD") depositors or their custodians. Distributions of metals, foreign currency, and other holdings valued at approximately $63,896,305 were made to 1,761 depositors or their custodians. This process began in the middle of April, 2023 and continued until November 23, 2023.

II.

CLAIMS AND INTERIM DISTRIBUTION

On January 12, 2024, the Receiver filed a *Motion to Approve Third Revised Claims Report* [D.I. 183](the "Third Revised Claims Report"). The Third Revised Claims Report reflected changes in the categories of claims for certain claimants, the amount of claim for certain claimants, and the addition of 195 late filed claims. On January 16, 2024, the Court entered *an Order Granting the Receiver's Motion to Approve Third Revised Claims Report.* The Third Revised Claims Report will be used by the Receiver for distribution of monies available to the approved claimants pursuant to the distribution plan previously approved by the Court. A copy of the Third

Revised Claims Report is posted on the receivership website, www.fsdreceivership.com and was mailed to each claimant with a revised or late filed claim.

On July 29, 2024, the Receiver filed his *Motion for Interim Distribution* [D.I. 211] requesting authority to distribute $2,601,401 to the approved claimants pursuant to the distribution plan approved by the Court. The Motion included a summary of the revenue and expenses of the receivership as of June 30, 2024. On October 2, 2024, the Court entered an *Order Granting The Receiver's Motion for Interim Distribution* [D.I. 212]. The Receiver is now in the process of issuing checks to the approved claimants based upon the Order.

III.

LIQUIDATION OF RECEIVERSHIP ASSETS

A. Assets Liquidated

On March 9, 2023, the Court approved the Receiver's proposed procedures for the liquidation of the assets in receivership [D.I. 109]. On October 10, 2023, the Court approved the Receiver's proposed procedures for the sale of precious metals in receivership [D.I. 163]. The most significant assets remaining in receivership are those of Defendant Argent Asset Group, LLC ("Argent"). The Receiver divided the inventory into the following categories: 1) coins to be deposited with a bank at face value; 2) precious metals and proofs to be sold based on spot value; 3) specialty coins; and 4) other collectables.

1. Coinage

With the assistance of Mr. Rich Weaver of Delaware Valley Rare Coin Company, additional coinage was deposited with the bank and on or about July 24, 2024, the receivership received $14,608.84.

2. Sale of Other Miscellaneous Coins and Collectables

The Receiver had boxes of miscellaneous coins and collectables described on **Exhibit A** attached hereto placed on consignment with a coin dealer in Texas. The items were sold for a total of $41,786.80 as shown on **Exhibit A**. The coin dealer retained 20% as a commission and distributed $33,429.44 to the Receiver.

B. Remaining Assets to Liquidate

The Receiver placed the remaining inventory of Argent into the following Lots:

Steel Pennies

Silver Nickels

Eisenhower Dollar Proofs

Prestige Sets

Hall of Fame Coins

The Receiver sent inventories for the above Lots to 12 coin dealers across the country soliciting bids, with a deadline of April 16, 2024. The Receiver received bids that exceeded the reserve price for only two of the Lots – the Eisenhower Dollar Proofs and the Prestige Sets. The Receiver sold the Eisenhower Dollar Proofs for $3,000 and the Prestige Sets for $2,500. The Receiver is continuing his attempt to solicit bids for the remaining Lots.

In addition to the foregoing, the Receiver has a very large number of coins that have also been placed in the following categories:

Commemorative Coins

Silver Proofs

Mint Sets

Non-Silver Proof Sets

The Receiver continues to solicit interest in these large lots of coins from various coin dealers. In addition, the Receiver has a number of collectable pennies, historical documents, and artifacts to sell. The Receiver estimates the value of the remaining lots of Argent coins, historical documents, and artifacts to be sold at between $200,000 and $300,000.

The Department of Justice is in possession of 27 one ounce gold coins and 34 half ounce gold coins that were found and removed from Higgins' house by the Receiver, and that have a value of approximately $115,896.[2] Once the coins are returned to the Receiver, the Receiver will sell the coins for the benefit of the receivership estate.

IV.

VACATING DEFENDANTS' OFFICE

The Defendants leased the building at 100 Todds Lane, Wilmington, Delaware that served as the headquarters for the Defendants' operations (the "Building"). During the receivership, the Receiver has been paying rent to the landlord of the Building for use of the Building. The Receiver vacated the Building on April 30, 20024 and delivered keys to the Building to the Lessor's attorney on May 1, 2024. The Receiver paid the final rent expenses for use of the Building.

The remaining Argent coins were transported from the Building to a secure storage facility in Wilmington, Delaware.

[2] Based on a gold spot price of $2,634 per ounce as of October 8, 2024. The value of gold continually fluctuates, so this may not be the value at the time the Receiver sells the gold.

V.

HIGGINS BANKRUPTCY

Shortly before the receivership, Higgins filed Chapter 13 bankruptcy in the Eastern District of Pennsylvania, Case No. 22-12021. Motions to Dismiss the bankruptcy were filed by the Chapter 13 Trustee, as well as by other creditors, including the Commodity Futures Trading Commission ("CFTC"). Higgins' bankruptcy was dismissed on August 22, 2024, because Higgins' debts disqualified him from Chapter 13 protection.

Higgins owns a house at 100 Applegate Drive, West Chester, Pennsylvania 19382 that has a Zillow value of approximately $1,028,900. Without bankruptcy court approval, Higgins added his wife to the title to the house. There is no mortgage on the house, but the house is subject to judgment liens and other debts. The Receiver claims an interest in the equity of the house. The Receiver is in discussions with a judgment lien creditor regarding the foreclosure and sale of the house.

VI.

ATTEMPTS BY THE RECEIVER TO IDENTIFY AND RECOVER ADDITIONAL ASSETS

On September 29, 2023, the Receiver filed a Complaint against West Hills Capital, LLC and Joseph Unger to recover more than a million dollars in commissions paid by First State Depository that the Receiver contends were fraudulent conveyances. The lawsuit was filed in the United States District Court for the District of Delaware, Case No. 1-23-cv-01076-RGA. The Defendants waived service.

The Defendants contacted the Receiver and claimed to have insufficient assets to hire an attorney to defend the lawsuit. The Receiver provided the Defendants with a Sworn Statement of Financial Condition form to complete. Defendant West Hills Capital, LLC completed the

statement and provided it to the Receiver. The Defendant Joseph Unger initially agreed to provide a Sworn Statement of Financial Condition but is now refusing to provide the same to the Receiver.

The Defendants informed the Receiver they asserted a claim against the Defendants' insurance company under an insurance policy that insured against business loss. The Defendants indicated a desire to use proceeds received from the insurance company, if any, to fund a settlement of the Receiver's lawsuit. In March, the Receiver spoke with Defendant Unger and the attorney retained by Defendant West Hills Capital to pursue the insurance claim. Defendant Unger provided the Receiver with a copy of the Sworn Statement in Proof of Loss submitted to the insurance company showing an estimated total loss exceeding a million dollars. In light of the pending insurance claim and the Defendants' professed intent to use proceeds received from the insurance claim to fund a settlement with the Receiver, the Receiver and the Defendants stipulated to a stay of the lawsuit until May 29, 2024.

Prior to the expiration of the stay, on May 20, 2024, the Defendant Unger filed a Motion to Dismiss the Complaint [D.I. 9]. The Receiver filed his Response to the Motion to Dismiss the Complaint on June 3, 2024 [D.I. 13], and the Motion to Dismiss remains before the Court for consideration.

Pursuant to the Receiver's Third Claims Report approved by the Court, the Receiver will use the net proceeds recovered from the lawsuit, if any, to pay those claimants in the Compromised category who were part of the Silver Lease Program.

VII.

OTHER ACTIVITIES OF THE RECEIVER

The Receiver's accountants prepared and filed the 2023 tax return for the receivership estate that was approved and signed by the Receiver. In addition, in August, 2024, the Receiver

received two summons of a Third-Party Complaint filed against FSD and Argent by West Hills Capital, LLC and Joseph Unger in a lawsuit pending in the District Court of Kansas, Case Number 6:23-cv-01064-EFM-BGS, styled *John Clifford Glahn, on behalf of himself and others similarly situated v. West Hills Capital, LLC and Joseph Unger.* The Receiver notified the attorney for West Hills Capital, LLC and Joseph Unger that the claims against Argent and FSD are stayed pursuant to the SRO. The attorney for West Hills Capital, LLC and Joseph Unger advised the court of the stay imposed by the receivership.

VIII.

DURATION OF RECEIVERSHIP

The Receiver is in the process of making an interim distribution to approved claimants as set forth in the *Order Approving the Receiver's Motion For Interim Distribution* entered on October 2, 2024 [D.I. 212]. Once the Receiver liquidates the remaining Argent coins and the gold coins held by the FBI, the Receiver will seek to make a final distribution to approved claimants, other than the Silver Lease Claimants. The Receiver's only assets that will remain are the fraudulent conveyance claims against West Hills Capital and Joseph Unger. The Receiver is pursuing those claims on a contingent fee basis and does not anticipate any further activities in the receivership other than filing the final tax returns for the receivership estate. Finally, the Receiver has been asked to testify at the criminal case of Defendant Robert Higgins set in October, 2024.
